

American Waste

Guidelines for the Proper Disposal of Invasive Species Update 7-15-11

- Bagged invasive species waste may be dropped off at the following American Waste Transfer Stations:

American Waste – Kalkaska
3947 US 131 North
Kalkaska, MI 49646

American Waste – Traverse City
3850 Sundowner Drive
Traverse City, MI 49686

American Waste – Charlevoix
8860 Park circle Drive
Charlevoix, MI 49720

- Invasive species waste may not be placed curbside
- Invasive species waste must be double-bagged, tightly closed and clearly labeled:
INVASIVE SPECIES
- Charges by bag are as follows:

13-gallon small bag:	\$2.00
30-gallon kitchen bag:	\$4.00
45-gallon large bag:	\$6.00

General yard waste and clippings are prohibited from landfill disposal. Only plants designated as invasive species are accepted under this guideline.
